# The Golden Path

#### A Spiritual Development Programme

Approved CPD Course

Deepening our awareness and compassion as we explore the big questions of living and dying

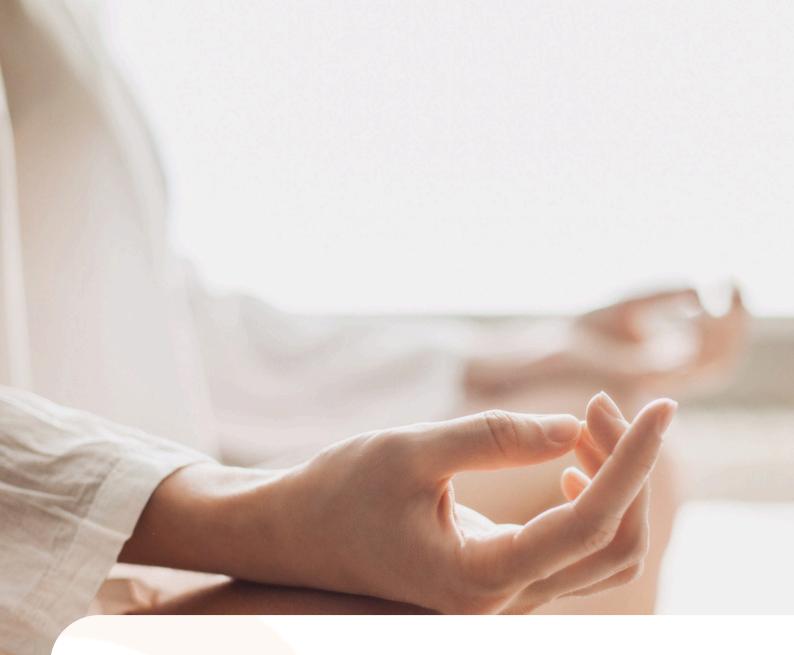

Welcome to The Golden Path – a profound spiritual enquiry process designed to guide you through a transformative exploration of your inner world. Whether you are navigating your own spiritual journey, or supporting others on theirs, this course will help you connect deeply with your spiritual experiences, beliefs, and knowledge, enabling you to face your own mortality and the fears of those facing life threatening illness.

#### What is the Golden Path?

The Golden Path, developed and led by **Dr Rosy Daniel and Sue Caden**, runs for 4 months over 4 weekends, and can be taken either for personal spiritual development, or to deepen your ability to mentor those who are life-threatened or dying.

The course content is greatly enriched by the teachings of the late **Pat Pilkington MBE**, Co-Founder of the Bristol Cancer Help Centre. We will share our insights and wisdom and draw upon the **legacy of Pat's wisdom** which illuminated and strengthened the souls of so many over **30 years of inspired voluntary service** at the Bristol Centre (now called Penny Brohn UK).

What you will you gain from this course:

- A loving safe space with others to explore your own beliefs
- Inspiration and uplift from sharing the beliefs and experiences of the group
- Establishment of a spiritual practice that deepens your inner strength and peace of mind
- Strength to face your fears and define your wishes in relation to your own death
- Greater ability to stay present when supporting others who are facing their mortality
